# IMPERIAL INTERNATIONAL SCHOOL

(Managed by Pinki Devi Memorial Trust)

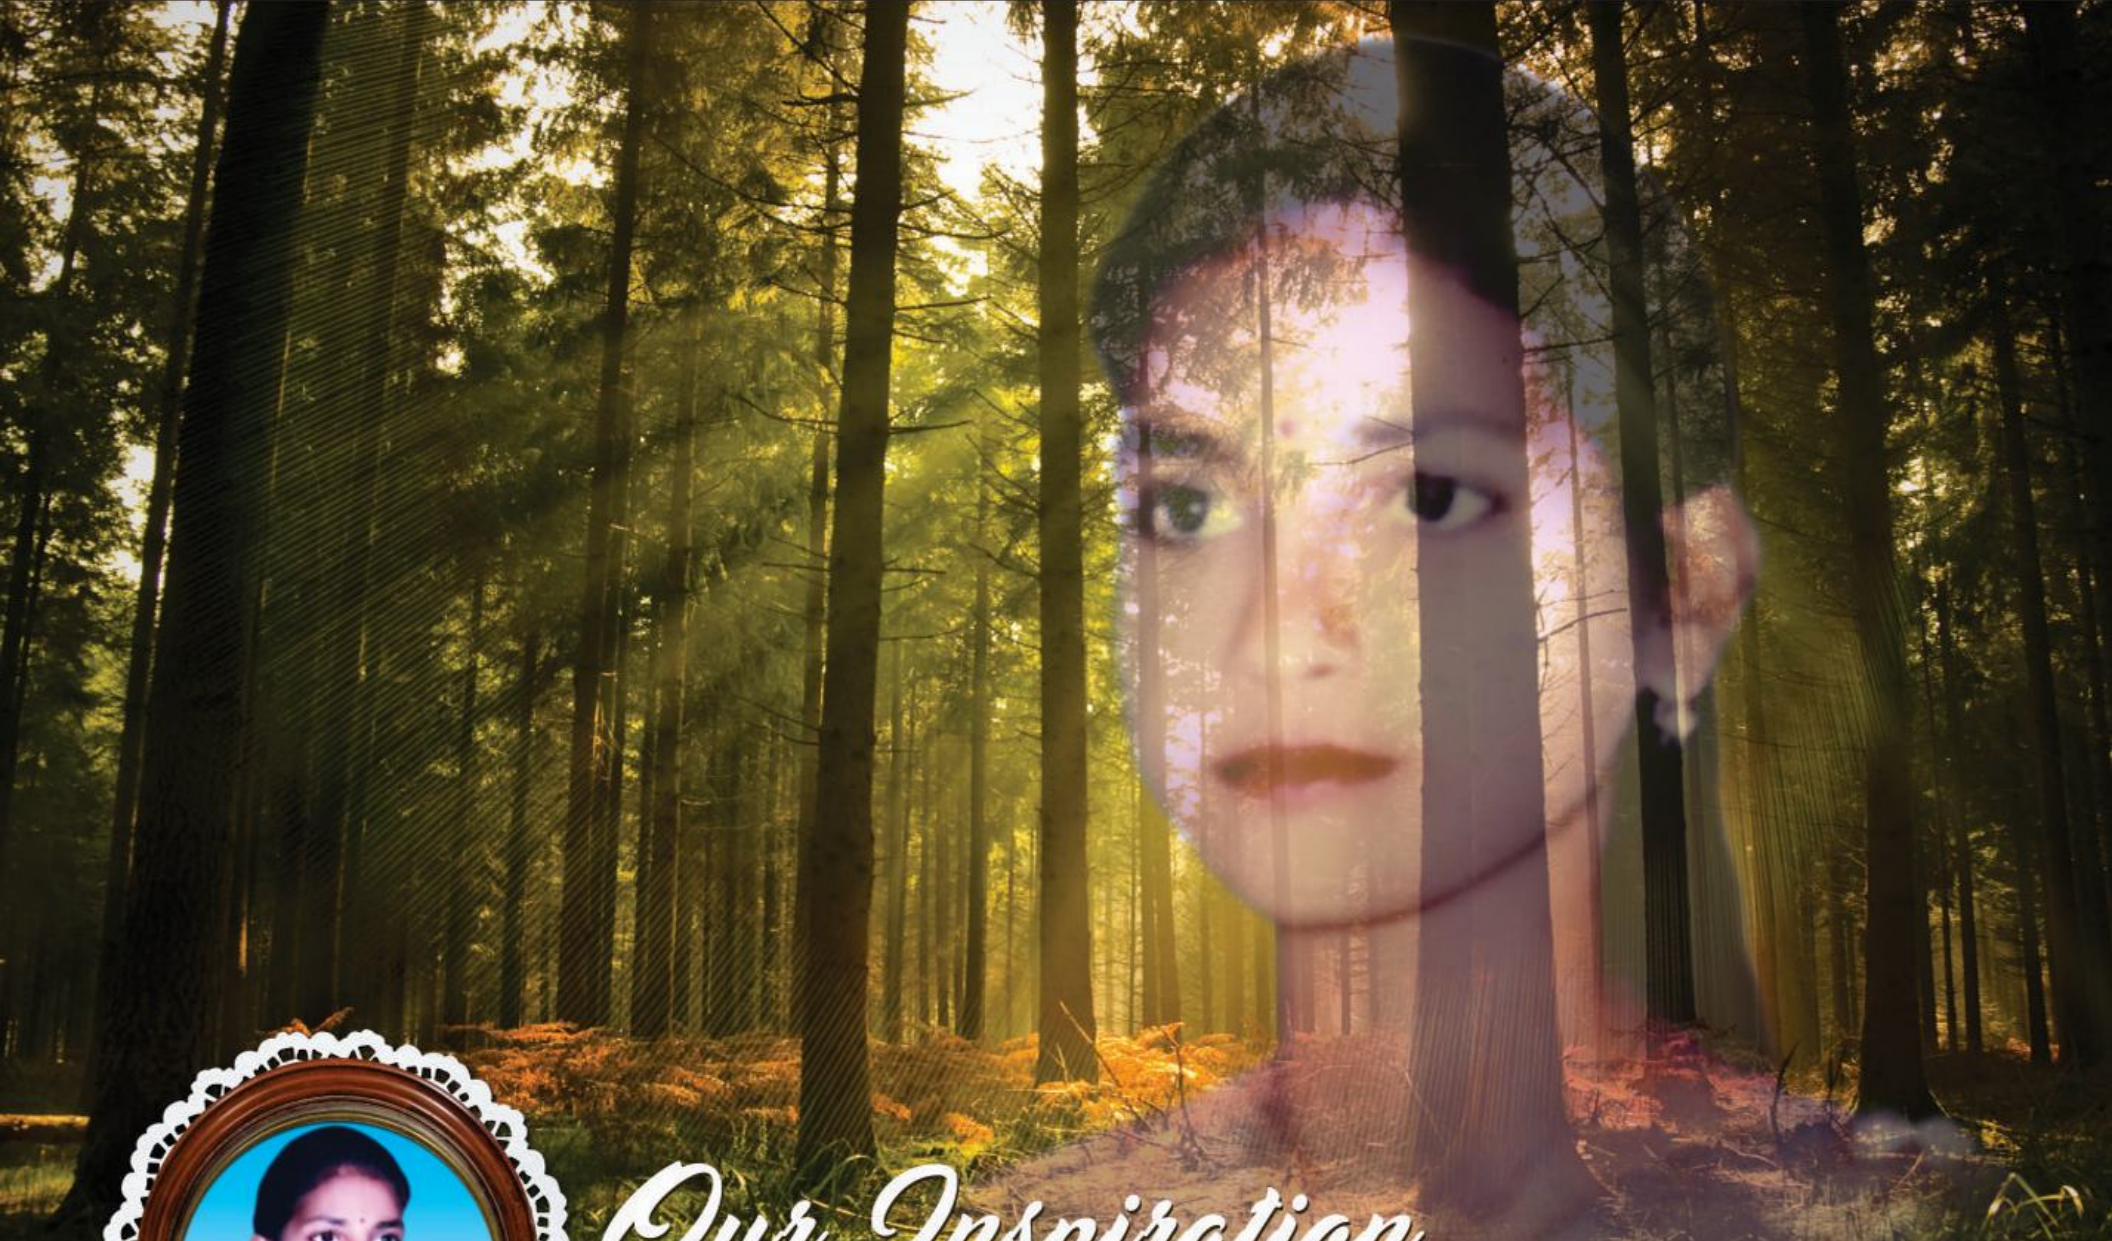

Affiliated to CBSE, New Delhi, Affiliation No. 2131940

## P R O S P E C T U S

*Beyond  
Academics*

## *Our Inspiration*

(1973-1990) This Institution is being setup in the revered memory of Ms Pinki Devi. She was excellent in academics but often discussed regarding the need of an educational Institute in area which could cater the needs of rural and semi urban children, who although are brilliant, having hidden potential but required guidance and resources to nurture them accordingly.

Keeping her views and aspiration in mind, we will do untiring efforts through this institution and fulfill the dream of children of our area. In this holy endeavor, we are optimistic that parents and guardians at large, will extend their whole-hearted support and co-operation.

# Chairman's Message

Dear Parents and Guardians,

The need for Quality Education has never been so acute than it is today. Understanding this need of the time "**Pinki Devi Group of Education**" has decided to go a long way in promoting quality education through its various endeavours.

We, at '*Imperial International School*' are striving hard to impart education that not only sharpens the intellectual faculty of student but also inculcates ethical and instills values to learn life skills,, thus molding a multifaceted personality that is ready to shoulder responsibilities towards their family, society and the Nation.

I, on behalf of '*Pinki Devi Memorial Trust*' assure you that in '*Imperial International School*' your ward will get the best of infrastructural facilities, caring attention and right academic ambiance, which as a parent you had dreamt of. As Swami Vivekananda has rightly said '**Education is the manifestation of perfection already existing in man.**'

Wishing you all the very best.

Omprakash Rajput

Chairman, IIS

# Managing Director's Message

Dear Parents,

I believe that education is the fundamental method of social progress and reform. All reforms, which rest simply upon the law or the threat of certain penalties, or upon charges in mechanical or outward arrangements, are transitory and futile. But through education, society can formulate its own purposes, can organize its own means and resources, and thus shape itself with definiteness and channelize economy in the right direction. Education, thus conceived, marks the most perfect intimate union of science and art, conceivable in human experience.

We, at Imperial International School aspire to bridge vision and action by implementing tools to leverage your time and talent, enhance and activate your creativeness in order to mould your vision into reality. The 21<sup>st</sup> century's wheel of success, as it rides over the third wave of knowledge reminds us every moment of the essentiality of acquiring as well as imparting quality education to cope up with the dynamic reality of ever-changing economic activities and social responsibility.

Education is the most powerful tool to change the world and can be used without inhibition. Learning at IIS will be an experience in itself without motto being "Education Renders Politeness". In our pursuit of excellence we strive to transform you into self driven, world-class professionals and will be your guide in your journey towards reaching the pinnacle of glory.

**Malcolm X:- Education is the passport to the future, for tomorrow belongs to those who prepare for it today.**

Wishing you all the very best

Ashok Kumar Rajput

Managing Director, IIS

# Principal's Message

Dear students staff and parents

**"Education is the most powerful weapon which we can use to change the world"**. Imperial International School commits to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, problem solver and makes them inspired learners to thrive in the twenty-first century.

We prepared students to be good at both levels academic and co-curricular activities. Their journey begins step by step towards success, to determine their destination and not to look back. For us this journey of success is perennial. We provide holistic and globally relevant education to the students for their all-around development. On our campus family values, dedication, purity and care towards culture tradition and environment are not merely words. Entire staff contributes with utmost care to fulfill the queries and requisite of the children. We believe in learning by doing and achieving our goals with success. **"The will to win, the desire to succeed, the urge to teach your full potential"**.

We continue our efforts towards success by asking more of ourselves today, tomorrow and forever. We want to make all pupils progressive and getting good place in society. **We believe if society progresses nation gets progress itself**. Education is an integral part of everyone's life so we believe **"An Investment in Knowledge pays the best Interest"**.

Mrs. Alka Sharma  
Principal, IIS

# Our Belief...

## What an effective teacher can do to boost his / her students

- Create opportunities for intellectual risk taking collaboration problem solving and application of classroom learning by doing method.

Students are encouraged to develop their talents and skills from an early stage. They are learning various musical instruments, like guitar, casio, tabla, drum & harmonium etc. They participate in various Inter school and Intra house competitions.

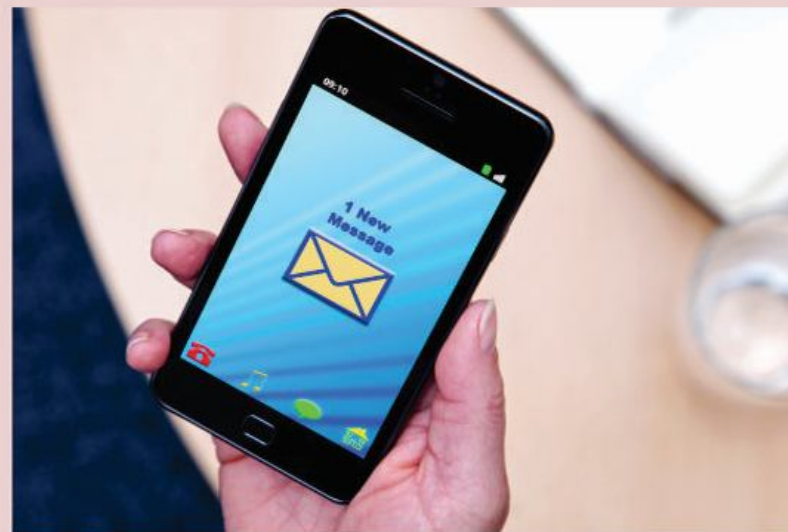

# How the students are taken care

**Infirmary:** A room for children's health and care is provided which is equipped with essential amenities like Bed, first aid box and medicines. A medical checkup is also conducted every year of each child under the supervision of Expert doctor's team and parents are also advised for child health and care.

**Surveillance and Security:** The school campus is fully secure under the 24x7 surveillance through cameras. Every nook and corner is covered under the eye of cameras connected to surveillance room which is observed all the time by our special task team to keep away any untoward incident.

**Information alerts through SMS:** Our school is providing SMS alerts for all necessary information to the parents like Holidays, any change in school timing etc. we also send the greetings on different occasions to our parents and children to share festivals together.

# Transport

Transport: The school has its own fleet of buses and light vehicles for providing transportation facilities. This is available for students from all areas in and around Najibabad. The distinctive feature of our bus route system is that each bus is boarded and deboarded from within the school campus under strict supervision. For safety and security each bus is equipped with a First Aid box, fire extinguisher and a mobile phone. Attendance of the children boarding the buses is taken both; in the morning and afternoon. Apart from all G.P.R.S. is there to make parents aware about the location of their ward, Audio-Video camera recording to check student's and conductor, driver's behavior from far Insurance of all students those are availing school transport, conductors are there to take care of the students while boarding and getting down from buses. 100% safety measures are taken care by the school authority.

# Co-curricular Activities

**Activities and House System:** The school community is divided into four houses. It began from class 1 level. Students of our school regularly participate in the inter – house, inter – class, inter – school and zonal activities. Various categories of motivational prizes and trophies are given to the student for increasing their participation.

**Play Station:** we have ample area for our little kids to play and well-designed play – station is also provided to them under the expert physical trainer for physical exercise. "Healthy body abodes a healthy mind" is an old saying. We provide our children every opportunity to develop motor – skills and physical fitness under supervision of expert teachers.

# Curriculum

Educational trips and excursions are an essential part to explore world around under the guidelines of expert teachers assisting the children in these kind of trips. We arrange every year educational and recreational trips for our children to learn and to explore the world around.

*Today is a great day  
to learn something NEW*

## Parent - Teacher Association

We have a cooperative and responsible Parent-Teacher Association which takes initiative to bring improvement in child's behavior, curricular and his personality development. It plays a vital role along with management to reform the ways of the child.

# Teaching Methodologies

The goal of education is the advancement of knowledge and the dissemination of truth. The methodology that school follows for the teaching.

**Interactive:** This fosters participation and collaboration and allows the learner to interact with the real world.

**Learner centered:** This provide opportunities to learn through discovery which helps the learners to be the creators, thinker in the development of the lessons and assessment process.

**Continuous:** It provides the learner an opportunity to acquire knowledge in a more holistic way. It builds on a variety of discipline and learning environments.

**Process focused:** Subjects are taught as way of thinking which rests on intelligent behaviors. It helps the learner to apply thinking models and diverse strategies and develop communication capacity.

**Integrated:** Teaches National consciousness and orientation in relation to India and World.

**Planned Lesson with Multi – Intelligent Approach:** For all the above stated we follow multi – intelligent approach and plan our lesson before our teachers teach to the students. Our endeavor is to strengthen and to identify different levels of child ability. We are all intelligent in a variety of ways. We let the students learn at their level with the help of teachers and enhance their knowledge. According to Dr. Howard Gardner who had categorized students into 8 types (Interpersonal, Intrapersonal, Naturist, Linguistic, Logical, Spatial, Bodily Kinetic and Musical smart). Different types of teaching methodology are used for catering each child.

# Assessment & Evaluation

Assessment of teaching means taking a measure of its effectiveness and evaluation is the process of observing and measuring a thing for the purpose of judging it and of determining its "Value", either by comparison to similar things or to a Standard. Assessment is concerned with process, while evaluation focuses on product. Assessment & Evaluation (A&E) utilizes data to understand and improve pedagogical innovations and academic programs. A&E are very important part of the constructive alignment process. In our school well designed assessment will allow our students to use the knowledge and skills for the improvement of learning.

As per CBSE guidelines uniform system of assessment, examination and report card across 18,688 CBSE schools of India has been done. We Imperialists also has followed the same given to pen and paper into two terms. There will of the term covering the weightage to periodic periodic tests in the weightage to note book enrichment activities & marks will be assessed of 3 periodic tests.

Uniform system of for all the classes from scholastic and Co – "E" grade up to class VIII improvement i.e 32 and and above it stands for activities 3 point grading education, Art education education will also be activities for enrichment

and 90% weightage has been test. Academic year is divided be 80 marks paper at the end whole syllabus and 10 marks tests (there will be three whole academic year. 5+5 submission and subject ASL will be included. Average for best of 2 periodic tests out

assessment will be followed 1st to X as per CBSE in both scholastic areas of each child. would mean that child need below marks range. In class IX "Failed". In co – scholastic system will be followed. Work and Health & Physical assessed under co – scholastic of students.

Assessment for class X & XII classes will be conducted through the Board Examination under the guidelines of CBSE and the entire course in one academic year taught will be assessed. The syllabus for these Board examinations is given by CBSE & reviewed & updated time to time every year.
